

A family membership is a great investment for your family. Your family will have the opportunity to engage in many educational and entertaining experiences for one full year at one great price. Your membership also provides support for the SEE Science Center to further its mission to promote the understanding, enjoyment and achievements of science.

All membership levels include the following benefits:

- Free admission for one year for all members of your household plus grandparents
- Priority admission and discounts to SEE Mini-courses and Summer Camp
- Discounts on birthday parties at SEE
- Member’s newsletter * you must provide an e-mail address below to receive this benefit*
- **Buy One get more than 270 Free!** SEE is a member of the Association of Science and Technology Centers (ASTC) passport reciprocal membership program. You can use your SEE membership Science Centers world wide. (some restrictions apply)
